**PRODUCT BENEFITS:**

Achieve a polished, contemporary look with our Cove Channel, the ideal solution for surface-mounting LED strip lighting. Designed for indirect lighting, this channel is securely installed on a mounting bar, ensuring a clean, professional finish without visible brackets. Made from high-quality aluminum, the Cove Channel can be easily cut to size on-site for a custom fit and is paintable, allowing it to integrate with any décor. Add cove-style lighting to any room with ease—no additional construction required, unlike traditional cove systems. Perfect for a variety of lighting applications, this channel combines style and functionality for your next project.

Channel only. LED ribbon and driver sold separately. The driver must be remotely located.
